Agreement Statement

By submission of any entry application, the player agrees to the tournament regulations set forth by the Kentucky Golf Association. The player agrees that there are certain risks inherent in the game of golf and accept personal and sole liability for all such risks. The player agrees that this entry application is subject to rejection at any time. The reason for rejection may include unbecoming conduct. The player agrees that the responsibility for ensuring this application is received by the KGA no later than the date and time specified is the player's alone and that this entry application will be automatically rejected if received by the KGA after such date and time. Waiting List

Anytime a KGA event nears capacity, the Director of Tournament Operations establishes a waiting list for additional entries. Tournament entrants will be advised that they are on this list and which position they hold at the time. As confirmed entrants notify Golf House Kentucky that they are withdrawing, the next player on the waiting list is notified and provided with pertinent information. If anyone is initially placed on the waiting list and does not receive a spot in the field, that entrant receives a full refund of his entry fee.

Exemptions

The KGA Board of Directors awards an exempt status to players in several categories of achievement for the KGA State Amateur Championship. A list of these players is included on the entry form of championship. All exempt players are required to register and pay their fees by the deadline of the championship. Exempt status is non-transferable.
